## **MEMO**

**TO: All Building Officials in Miami-Dade County**

**FROM: Herminio F. Gonzalez, P.E.  
Director Building Code Compliance**

**DATE: June 1, 2004**

**SUBJECT: Building Officials Meeting Notice – June**

I would like to take this opportunity to thank each of you for your support and participation in making the Building Officials' meetings a continued success. The May Building Officials' meeting consisted of a very informative presentation from the Department of Environmental Resources Management, (DERM). The DERM presentation generated a discussion on Chapter 24 of the Code of Miami-Dade County which provides uniformity for plan reviews in all municipalities. Additionally, a discussion regarding the wind load calculations for store front windows was facilitated by Peter Iglesias, P.E. from the City of Coral Gables Building Department.

The date for the next Building Officials' meeting is as follows:

- June 21, 2004.

The meetings will take place between 1:00-3:00 PM at 140 West Flagler Street in the 16<sup>th</sup> floor conference room.

An agenda for this meeting will be sent approximately one week before the meeting.

**Parking in the Metro-Dade Flagler Building at 140 West Flagler Street:  
The Building Code Compliance Office will validate the parking receipt of one vehicle per municipality.**
